

June 2026

Dear Sponsor,

Every morning, before the rest of the city wakes up, our kitchen is already buzzing. By the end of the day, our vans will have delivered nearly 3,000 hot meals and a friendly daily check-in to vulnerable seniors across Los Angeles. This simple act of showing up has been the heart of St. Vincent Meals on Wheels for nearly 50 years. But as California faces a historic demographic shift and the number of older adults struggling with food insecurity skyrockets, the demand on our kitchen is growing incredibly fast.

To ensure we can meet this growing need, we are focused on one goal: Readiness. We invite you to partner with us as a Sponsor for **La Dolce Vita: An Evening Under the Stars** on Saturday, October 10, 2026, from 3:00 to 7:00 pm. For years, we've hosted our supporters at wonderful venues across L.A. This time, we're inviting you somewhere much more meaningful: the heart of our home.

By joining us on the St. Vincent Meals on Wheels campus, you and your guests will get a behind-the-scenes look at the exact spaces where our daily mission comes to life. Alongside amazing food, live entertainment, and excellent networking, this evening officially kicks off our \$10 million capital improvement campaign. Your sponsorship isn't just about funding a great event; it is a direct investment in our readiness. It ensures we have the upgraded facilities needed to cook more meals, reach more homes, and guarantees that no senior is left behind.

Please take a look at the attached Sponsorship packet for details on the different levels of support, which include exclusive benefits and recognition on our Circle of Angels donor wall.

The first 50 years of our mission were built by a compassionate community. We would be honored to have your partnership as we get ready for the next 50.

With gratitude,

**Julie Delgadillo**

Development Director

## FACT SHEET 2026

Since 1977, St. Vincent Meals on Wheels has served as the largest privately funded meal program in the country. We provide a lifeline of healthful meals and daily visits to more than 3,000 homebound seniors and seriously ill adults in Los Angeles. Our services are provided to anyone in need regardless of religion, age, national origin, disability, or illness.

By 2030, older adults will outnumber children under 18 for the first time in California's history. In Los Angeles County alone, the population of residents aged 65 and older is projected to jump 61 percent by 2040. As seniors age and retire, many cannot afford the rising cost of living. This leads to a silent crisis of food insecurity and elderly homelessness. To meet this demand, we are actively launching a Capital Improvement Campaign to modernize our infrastructure and prepare for future facility expansions.

### BY THE NUMBERS

- In 2025 alone, we served a total of 563,432 meals! A nutritious, home-delivered meal can help to:
  - Keep seniors independent and out of nursing homes
  - Give those who are ill the energy to improve
  - Restore strength to the malnourished
  - Ease the pain of loneliness and isolation
- Daily Reach: On average, we serve over 3,000 people a day.
- Cost & Contribution: The cost to produce each meal is \$17.06. Clients, many on fixed incomes, are asked to pay \$3.00 or what they can afford.
- Annual Impact: A donation of \$6,205 provides a daily nutritious meal for an entire year.
- Logistics: To deliver meals to our clients, we drive over 7,000 miles a month. That is the driving distance to Alaska and back. Our fleet of 23 delivery cars and vans is fully donated.
- Our Team: With a paid staff of roughly 65, we rely on more than 350 volunteers to help prepare and deliver enough meals for 7 days to our clients.

### HOTEL DIEU SENIOR HOUSING

- Affordable Living: Hotel Dieu is a 114-unit low-income senior apartment building designed to provide a beautiful, safe, and secure environment for seniors and the disabled.
- Supportive Amenities: The program enhances independence and comfort by providing residents with fully paid utilities, free basic cable, light housekeeping, and linens.
- Community Connection: To combat social isolation, Hotel Dieu fosters a lively community atmosphere through on-site activities like chair exercises, game nights, and holiday celebrations.

The rising costs of food, fuel, natural gas, and sundries have affected both our programs and the seniors we serve. St. Vincent Meals on Wheels depends on your private charitable support, not the government, to fulfill our mission.
